END-USER LICENCE AGREEMENT FOR "ABSYNTAX FRAMEWORK".   IMPORTANT: PLEASE READ THE TERMS AND CONDITIONS OF THIS LICENCE AGREEMENT CAREFULLY BEFORE CONTINUING WITH THIS PROGRAM INSTALL.   This End-User Licence Agreement ("EULA") is a legal agreement between you (either an individual or a single entity) and Managing Infrastructure Information Limited (MIIL) for MIIL's "Absyntax Framework", which includes installation software, associated software components, media, printed materials, and "online" or electronic documentation (collectively known as the "Software Product").   By installing the Software Product, you agree to be bound by the terms of this EULA.   This licence agreement represents the entire agreement concerning the Software Product between you and MIIL, and it supersedes any prior proposal, representation, or understanding between the parties.   If you do not agree to the terms of this EULA, do not install or use the Software Product.

The Software Product is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties.   The Software Product is licensed, not sold.

Copyright © 2012-2014 Managing Infrastructure Information Limited.

All rights reserved.

1. GRANT OF LICENCE.

The Software Product is licensed as follows:

(a) Installation and Use.

MIIL grants you the right to install and use copies of the Software Product on your computer running a suitably and validly licensed copy of the operating system for which the Software Product was designed. You may only use the Software Product with a valid and activated licence key.

(b) Licence Keys

Licence keys encapsulate your specific usage rights concerning the components within the Software Product and said rights may differ between licence keys.   Licence keys may be obtained from the websites of MIIL and its affiliates or by arrangement with MIIL.   Licence key activation requires an internet connection.

(c) Licence Limitations

One licence entitles one person or third-party software application at a time to use the software on one computer.

(d) Backup Copies.

You may make copies of the Software Product as may be necessary for backup and archival purposes.

2. DESCRIPTION OF OTHER RIGHTS AND LIMITATIONS.

(a) Maintenance of Copyright Notices.

You must not remove or alter any copyright notices on any and all copies of the Software Product.

(b) Distribution.

Copies of the package of installation program files, available for download from the websites of MIIL and its affiliates, may be freely distributed.   You may not distribute any of the individual package files except as described in (c), Third-party Software, below.   You may not distribute the files created as a result of installing the Software Product, either individually or collectively.

(c) Third-party Software.

You may use components of the installed Software Product in conjunction with the development of third-party software to the extent permitted by activated licence keys.   Any deployment of such third-party software to other computers must install the Software Product on said computers as a prerequisite of the deployment except in instances where the same or a later version of the Software Product is already installed.   All such deployment installations shall be performed using the installation software used to install the Software Product on the development computer or the installation software available for download from the websites of MIIL and its affiliates.

(d) Prohibition on Reverse Engineering, Decompilation and Disassembly.

You may not reverse engineer, decompile or disassemble the Software Product, except and only to the extent that such activity is expressly permitted by applicable law notwithstanding this limitation.

(e) Rental.

You may not rent, lease, or lend the Software Product.

(f) Support Services.

MIIL may provide you with support services related to the Software Product ("Support Services").   Any supplemental software code provided to you as part of the Support Services shall be considered part of the Software Product and subject to the terms and conditions of this EULA.

(g) Compliance with Applicable Laws.

You must comply with all applicable laws regarding use of the Software Product.

3. TERMINATION

Without prejudice to any other rights, MIIL may terminate this EULA if you fail to comply with the terms and conditions of this EULA.   In such event, you must destroy all copies of the Software Product in your

possession.

4. COPYRIGHT

All title, including but not limited to copyrights, in and to the Software Product and any copies thereof are owned by MIIL or its suppliers.   All title and intellectual property rights in and to the content which may be accessed through use of the Software Product is the property of the respective content owner and may be protected by applicable copyright or other intellectual property laws and treaties.   This EULA grants you no rights to use such content except as described in section 7 ("AvalonDock") below. All rights not expressly granted are reserved by MIIL.

5. NO WARRANTIES

MIIL expressly disclaims any warranty for the Software Product.   The Software Product is provided "as is" without any express or implied warranty of any kind, including but not limited to any warranties of merchantability or fitness for a particular purpose.   MIIL does not warrant or assume responsibility for the accuracy or completeness of any information, text, graphics, links or other items contained within the Software Product.   MIIL makes no warranties respecting any harm that may be caused by the transmission of a computer virus, worm, time bomb, logic bomb, or other such computer program. MIIL further expressly disclaims any warranty or representation to Authorised Users or to any third party.

6. LIMITATION OF LIABILITY

In no event shall MIIL be liable for any damages (including, without limitation, lost profits, business interruption, or lost information) rising out of Authorised Users' use of or inability to use the Software Product, even if MIIL has been advised of the possibility of such damages.   In no event will MIIL be liable for loss of data or for indirect, special, incidental, consequential (including lost profit), or other damages based in contract, tort or otherwise.   MIIL shall have no liability with respect to the content of the Software Product or any part thereof, including but not limited to errors or omissions contained therein, libel, infringements of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information.

In no event shall MIIL or other copyright holders or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the possession, ownership or use of the Software Product, even if advised of the possibility of such damage.   MIIL and other copyright holders and contributors shall have no

liability with respect to the content of the Software Product or any part thereof, including but not limited to errors or omissions contained therein, libel, infringements of rights of publicity, privacy, trademark rights, business interruption, personal injury, loss of privacy, moral rights or the disclosure of confidential information.

7. AVALONDOCK

AvalonDock is a separate software component distributed with the Software Product.   This section is concerned solely with said software component and makes no reference, implied or otherwise, to the Software Product.

Copyright © 2007-2010, Adolfo Marinucci.   All rights reserved.

Redistribution and use in source and binary forms, with or without modification, are permitted provided that the following conditions are met:

(a) Redistributions of source code must retain the above copyright notice, this list of conditions and the following disclaimer.

(b) Redistributions in binary form must reproduce the above copyright notice, this list of conditions and the following disclaimer in the documentation and/or other materials provided with the distribution.

(c) Neither the name of Adolfo Marinucci nor the names of its contributors may be used to endorse or promote products derived from this software without specific prior written permission.

This software is provided by the copyright holders and contributors "as is" and any express or implied warranties, including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose are disclaimed. In no event shall the copyright owner or contributors be liable for any direct, indirect, incidental, special, exemplary, or consequential damages (including, but not limited to, procurement of substitute goods or services; loss of use, data, or profits; or business interruption) however caused and on any theory of liability, whether in contract, strict liability, or tort (including negligence or otherwise) arising in any way out of the use of this software, even if advised of the possibility of such damage.

8. MI2.KDBPLUS

MI2.KdbPlus is a separate software component distributed with the Software Product under the Microsoft Public Licence (Ms-PL).   This licence governs use of the MI2.KdbPlus software.   If you use the software, you accept this licence.   If you do not accept the licence, do not use the software.   This section is concerned solely with said software component and makes no reference, implied or otherwise, to the Software Product.

8.1 Definitions

The terms "reproduce," "reproduction," "derivative works," and "distribution" have the same meaning here as under U.S. copyright law.

A "contribution" is the original software, or any additions or changes to the software.

A "contributor" is any person that distributes its contribution under this licence.

"Licensed patents" are a contributor's patent claims that read directly on its contribution.

8.2. Grant of Rights

(A) Copyright Grant – Subject to the terms of this licence, including the licence conditions and limitations in section 8.3, each contributor grants you a non-exclusive, worldwide, royalty-free copyright licence to reproduce its contribution, prepare derivative works of its contribution, and distribute its contribution or any derivative works that you create.

(B) Patent Grant – Subject to the terms of this licence, including the licence conditions and limitations in section 8.3, each contributor grants you a non-exclusive, worldwide, royalty-free licence under its licensed patents to make, have made, use, sell, offer for sale, import, and/or otherwise dispose of its contribution in the software or derivative works of the contribution in the software.

8.3. Conditions and Limitations

(A) No Trademark Licence – This licence does not grant you rights to use any contributor's name, logo, or trademarks.

(B) If you bring a patent claim against any contributor over patents that you claim are infringed by the software, your patent licence from such contributor to the software ends automatically.

(C) If you distribute any portion of the software, you must retain all copyright, patent, trademark, and attribution notices that are present in the software.

(D) If you distribute any portion of the software in source code form, you may do so only under this licence by including a complete copy of this licence with your distribution.   If you distribute any portion of the software in compiled or object code form, you may only do so under a licence that complies with this licence.

(E) The software is licensed "as-is."   You bear the risk of using it.   The contributors give no express warranties, guarantees or conditions.   You may have additional consumer rights under your local laws which this licence cannot change.   To the extent permitted under your local laws, the contributors exclude the implied warranties of merchantability, fitness for a particular purpose and non-infringement.
